ADHOU AL MARQAB

Contracting

ADHOU AL MARQAB was founded in 1425 as a local company; as General Trading and Services Company with a vision of “ **SUPPORT LOCAL INDUSTRIES SERVICES** ” . Since then we

have been having our contracting activities as division and recently we have dedicated a stand alone entity “**ADHOU**” for this activity since it has been growing and diversified. We were recognized over several years being hard work, dedicated, specialized in General Contracting and Electro-Mechanical services, covering the scope of design, supply, installation, testing & commissioning.

We are not only proud to have the best and the brightest workforce, but also to retain a talented and committed team supporting our long term plan. Our integrated team and process will ensure delivering customers’ goals with optimal performance through the project life cycle within budget, time and top class quality.

ADHOU employees are specialized and skilled engineers, supervisors and technicians who have proven records for setting exceptional standards in cost control, planning and scheduling, quality assurance and control, and project HSSE.

HONESTY & INTEGRITY

Upfront approach with customers introducing our capabilities, deliverables and expectation, with adherence to a code of moral.

RELIABILITY

Making sure to fulfill and exceed customer expectation.

FORWARD-LOOKING

Putting customer care on top priority, because it makes a difference for us, enhance our creativity and proactive approach.

VISION & MISSION

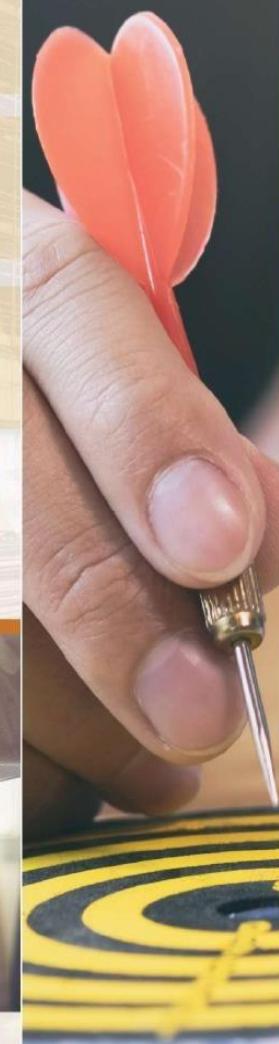

VISION STATEMENT

To inspire its employees to be the best they can be. We will engage in sustainable practices and anticipate the needs of our customers. We will maximize return to all stakeholders while still maintaining quality in our services.

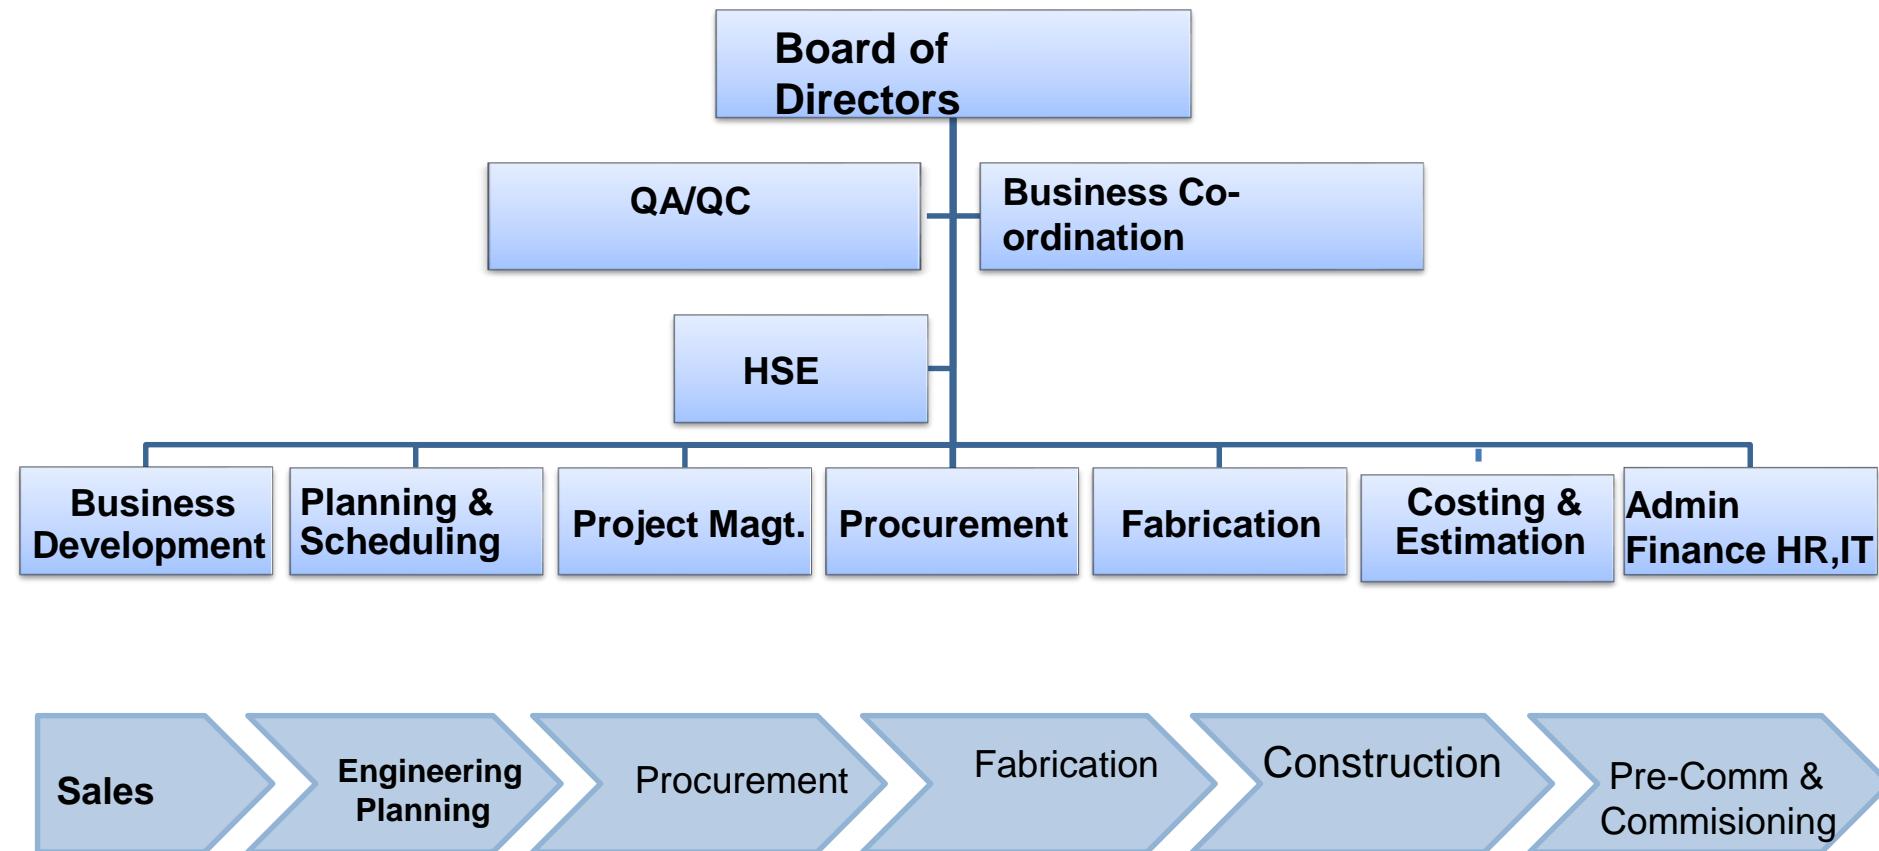

MISSION STATEMENT

To be the leaders in providing value - added construction services to our customers by developing successful and lasting partnership with them, by exceeding their expectations and retaining their trust through exceptional and optimal performance by every member of our organization.

ORGANIZATIONAL STRUCTURE

ADHOU Organizational Structure is designed to maximize efficiency and responsiveness in our line of work. Our Project Management Team reporting directly to the Board of Directors, leads the Execution Team designated for the Project. Direct reports by the Project Management team to the Board ensure Up to date Status Information on each Project. HSE and QA/QC also reports directly to the Board of Directors.

ADHOU AL MARKAB
